Preface

The Maryland sentencing guidelines cover most criminal cases originating in a circuit court. Based on sentencing experience in Maryland, the guidelines were first developed, with staff assistance, by a board of judges, legislators and other representatives of the criminal justice system.

The chief goals of sentencing guidelines are:

1. To increase equity in sentencing by reducing unwarranted disparity, including any racial disparity, while retaining judicial discretion to individualized sentences;
2. To articulate an explicit sentencing policy while providing a regular basis for policy review and change;
3. To provide information for new or rotating judges; and
4. To promote increased visibility and aid public understanding of the sentencing process.

Sentencing guidelines make it possible to take into account systematically and publicly the most common variations in offenders and their offenses, within the current sentencing framework. In cooperation with the judiciary, State's Attorneys, Public Defenders, and others in the criminal justice system, the State Commission on Criminal Sentencing Policy can help achieve systematic sentencing by identifying and assigning weights to core, objective factors for consideration by judges in making sentencing decisions. It should be emphasized that sentencing guidelines are, as the name indicates, guidelines to assist judges in sentencing. The guidelines are not mandatory. Guidelines complement rather than replace the judicial decision-making process and the proper exercise of judicial discretion.

Maryland's State Commission on Criminal Sentencing Policy (SCCSP) welcomes interest on its activities and information resources. Since judicial use of the State's sentencing guidelines is voluntary, the SCCSP and its staff do not provide advisory opinions or otherwise get involved in pending court cases. In any situation of confusion, refer to the judge for the ultimate decision.

*** Note: This current manual should be used in place of the previous version (dated January 2003). Please discard the previous version and start using the new manual immediately upon receipt.**

Scope

The Maryland sentencing guidelines apply to criminal cases prosecuted in a circuit court. The following sentencing matters handled by judges in a circuit court are excluded from guidelines coverage:

- Prayers for jury trial from District Court, UNLESS a PSI is ordered;
- Appeals from District Court, UNLESS a PSI is ordered;
- Crimes that carry no possible penalty of incarceration;
- First Degree Murder convictions if the death penalty is sought under CR, §2-303, Annotated Code of Maryland;
- Public local laws and municipal ordinances.

Under Criminal Procedure Article, §6-211(b), Annotated Code of Maryland, the sentencing guidelines are voluntary and may not be construed to require a court to sentence a defendant as prescribed by the guidelines.

A list of many Maryland criminal offenses and their corresponding seriousness categories appear in Appendix A. If an offense is not listed in Appendix A, the individual completing the guidelines worksheet shall use the seriousness category for the closest analogous offense. In such instances, the sentencing judge and the parties shall be notified.

Please note that the Sentencing Guidelines Manual is not law and the Manual is provided for illustrative purposes only. The Guidelines are codified in Title 14, Independent Agencies, Subtitle 22, Commission on Criminal Sentencing Policy in the Code of Maryland (COMAR). If there is any dispute or question regarding the content contained in the Manual, the user should review the specific language under COMAR for clarification.

COMAR is provided for online viewing by the State of Maryland, Division of State Documents at <http://www.dsd.state.md.us> and by the Commission at <http://www.msccsp.org>. For further information on the SCCSP, including the most recent changes to the Sentencing Guidelines and to the Manual, please visit the Commission's website.

Definitions

- ABA Plea Agreement** A plea agreement that a court has approved relating to a particular sentence, disposition, or other judicial action. The agreement is binding on the court under Maryland Rule 4-243(c).
- Cell** The intersection of the offense score (or seriousness category) and the offender score on a two-variable guideline matrix.
- Correctional Options**
- Home detention;
 - A corrections options program under law which requires the individual to participate in home detention, inpatient treatment, or other similar programs involving terms and conditions that constitute the equivalent of confinement;
 - Inpatient drug or alcohol counseling under Health General Article, Title 8, Subtitle 5, Annotated Code of Maryland; or
 - Participation in a drug court or HIDTA substance abuse treatment program.
 - Correctional Options include programs such as Tamar's Children, established by the State Division of Correction, provided that the program meets the Commission's criteria, as described above.
- Departure** A judicially imposed sentence that falls outside of the recommended sentencing guidelines range. Exceptions to departure are explained in section 12.6, "Sentences Deemed to be Within the Guidelines."
- Drug Offense** An offense involving controlled dangerous substances or paraphernalia.

Economic Loss For all offenses involving theft and related crimes under Criminal Law Article, Title 7, or fraud and related crimes under Criminal Law Article, Title 8, Annotated Code of Maryland, economic loss equals the amount of restitution ordered by a circuit court judge or, if not ordered, the full amount of restitution that could have been ordered.

Guidelines Offense Offense prosecuted in a circuit court.
Guidelines offenses *include* new trials AND also reconsiderations, reviews and probation revocations, provided the original offense was also a guidelines offense¹.

Guidelines offenses *do not* include:

- Prayers for jury trial from District Court, UNLESS a PSI is ordered;
- Appeals from District Court, UNLESS a PSI is ordered;
- Offenses that carry no possible penalty of incarceration;
- First Degree Murder offenses if the death penalty is sought under CR, §2-303, Annotated Code of Maryland;
- Public local laws and municipal ordinances.

Guidelines Range The recommended sentencing range for offenders who fall within a particular cell of the person, drug, and property offense sentencing matrices.

Judge The trial judge who imposes or alters a sentence or a panel of trial judges who alter a sentence.

Multiple Criminal Events More than one criminal transaction committed over a period of time. Multiple criminal events being sentenced together may have occurred on the same or different dates. Offenses that occur on different dates are almost always separate criminal events.

Offender Score A summary score ranging from 0 to 9 measuring an offender's prior criminal history and calculated for use in the person, drug, and property offense sentencing matrices.

Offense Score A summary score ranging from 1 to 15 measuring the seriousness of a person offense and calculated for use in the person offense sentencing matrix.

¹ A Guidelines Worksheet should be completed for reconsiderations, reviews, and probations revocations if an adjustment was made to the active, original sentence.

Person Offense	An offense involving: <ul style="list-style-type: none"> a. a confrontation between the offender and the victim, including offenses with bodily harm or the threat of bodily harm to a victim; or b. weapons.
Property Offense	An offense where property is unlawfully damaged or taken.
PSI	A pre-sentence investigation prepared in accordance with §6-112 of the Correctional Services Article.
Sentencing Guidelines Worksheet	The form issued by the State Commission on Criminal Sentencing Policy and used to determine the recommended sentence outcome and to record sentencing data.
Seriousness Category	An offense ranking ranging from I to VII, where I designates the most serious criminal offenses and VII designates the least serious criminal offenses.
Single Criminal Event	One or more crimes committed in the course of the same transaction.
Special Vulnerability of Victim	Cases in which the relative status of the victim tends to render actions of the perpetrator all the more serious. A vulnerable victim is anyone: <ul style="list-style-type: none"> a. younger than 11 years old; b. 65 years old or older; or c. physically or mentally handicapped. The handicap may be temporary or permanent. Physically or mentally handicapped shall include any person who is either physically or mentally limited in any material way.
Victim Injury	Physical or psychological injury to the crime victim. The cause of physical or psychological injury is directly linked to the conduct of the defendant in the commission of the convicted offense.
Weapon Usage	The use of any article or device which reasonably appears capable of causing injury or any article that could result in conviction under CR, §4-101, Annotated Code of Maryland. Specific rules regarding the application of the weapon usage enhancement are found in section 6.1(C).
‘White Collar’ Offense	A property offense, identified as an illegal act or series of illegal acts committed by other than physical means and by concealment or guile to obtain money or property, to avoid payment or loss of money or property, or to obtain business or professional advantage.

Sentencing Guidelines Worksheet Completion and Distribution

3.1 When to Complete and Submit a Guidelines Worksheet

The Sentencing Guidelines Worksheet should be completed and submitted for all “Guidelines Offenses” as defined in Chapter 2. A Guidelines offense means an offense prosecuted in a Maryland circuit court. Guidelines offenses include **new trials, reconsiderations, reviews, and probation revocations**. Guidelines worksheets for reconsiderations, reviews, and probation revocations only need to be completed when there is an **adjustment** to an active sentence.

3.2 Single Criminal Event

The Sentencing Guidelines Worksheet is to be used for up to three convicted offenses from a single criminal event. A single criminal event is defined as one or more crimes committed in the course of the same time. If there are more than three convicted offenses from a single criminal event, additional worksheets are to be used as needed.

3.3 Multiple Criminal Events

Multiple criminal events means more than one criminal transaction committed over a period of time. Multiple criminal events being sentenced together may have occurred on the same or different dates. Offenses that occur on different dates are almost always separate criminal events.

The individual completing the worksheet is to use at least one worksheet for each event.

***Multiple events should not be compiled on a single worksheet.**

3.4 Sentencing Guidelines Worksheet Completion

Prior to a sentencing decision using the guidelines, an individual should complete the worksheet up to the section labeled “Actual Sentence” and include each convicted offense for which the offender is to be sentenced. *Only convicted offenses are to be included on the worksheet.* Each of these convicted offenses for which the offender is to be sentenced should be included. Merged offenses should not be included on the guidelines worksheet. A blank copy of the worksheet can be found on page 8.

If the judge orders a pre-sentence investigation (PSI), an agent of the Division of Parole and Probation shall complete each worksheet up to the section labeled “Actual Sentence.” The agent should send to the court the first four copies, together with the PSI and the Maryland Sentencing Guidelines Criteria for Prior Record worksheet (found on page 27) issued by the State Commission on Criminal Sentencing Policy. The last two copies should be sent to the State’s Attorney and the defense attorney, respectively, in compliance with the “sufficient time to investigate” requirement of Maryland Rule 4-341.

If the judge does not order a PSI, the judge may complete the worksheet personally or delegate the task to counsel or the judge’s staff.

Regardless of who completes the worksheet, **the judge shall review the worksheets for completeness and for accuracy.**

3.5 Pre-Sentencing Distribution of Sentencing Guidelines Worksheets

The individual who completes the final portions of the worksheet should forward a copy of each completed worksheet to both the State and the defense so that they will have an opportunity to review the information provided. The State and the defense shall bring any disagreements between them to the judge’s attention prior to sentencing. Changes in the worksheet may be made only by or with the approval of the judge.

3.6 Post-Sentencing Worksheet Distribution

After sentencing, the clerk shall distribute copies according to individual court practice. The blue copy shall be sent to the State Commission on Criminal Sentencing Policy at the address shown on the following page. If the court orders probation, the clerk shall forward a copy of the worksheet to the appropriate probation office. The clerk shall forward a copy of the worksheet to the agency that has been ordered to retain custody of the defendant. An agency receiving an inmate eligible for parole shall duplicate its worksheet and forward a copy of the worksheet to the Parole Commission. Table 3-1 on the next page provides distribution information for the worksheet copies.

Case Information

The top section of the guidelines worksheet contains space for important case information that is essential for maintaining a statewide sentencing guidelines database. This chapter provides instructions for completing the top section as well as other portions of the worksheet.

4.1 Offender Name, Sex, and Birth Date

The “Offender Name”, “Sex”, and “Birthdate” box at the top of the guidelines worksheet are self explanatory. Please complete the offender name and birthdate in a legible way and clearly indicate whether the offender was male or female.

4.2 Jurisdiction Code

The person preparing the guidelines worksheet should record in the “Jurisdiction” box the numeric code that corresponds to the jurisdiction in which the case was heard. Table 4.1 on the next page contains the numeric code for each jurisdiction in the state.

Table 4-1. Jurisdiction Codes

4.3 PSI, Date of Offense and Date of Sentencing

The individual completing the worksheet should clearly indicate whether a pre-sentence investigation was available for the offender, and the dates of offense and sentencing.

4.4 Number of Convicted Offenses

In the space for the number of “convicted offenses at this sentencing” write the total number of offenses for which one judge must impose a specific sentence at one time and place. If the sentencing involves more than one criminal event, the number of convicted offenses is the sum of all offenses in all events. Merged offenses shall not be placed on the worksheet and may not be considered in calculating the guidelines range or in any of the worksheet computations. If the worksheet is completed before the sentencing hearing and offenses are listed that later are merged at sentencing, the judge shall clearly indicate on the worksheet which offenses have become merged.

4.5 Number of Criminal Events

In the space for the number of criminal events at this sentencing, write the total number of criminal events being sentenced at this time. A single criminal event is one or more offenses committed in the course of the same transaction. Multiple criminal events being sentenced together may have occurred on the same or different dates. Offenses that occur on different dates are almost always separate criminal events. The sentencing judge shall resolve any disputes about the number of criminal events.

4.6 Page Numbering of Worksheets and Criminal Events

Multiple worksheets may be required for a single sentencing event. The worksheets should be numbered consecutively in the space provided for worksheet number.

When there is only one criminal event and more than three convicted offenses, additional worksheets should be attached. These worksheets should be numbered consecutively in the “Worksheet #” space but, since there is only one criminal event, each should be marked with a “1” in the “Criminal Event #” space.

Example: An offender is being sentenced for five offenses, all part of the same criminal event. Two worksheets should be prepared, one containing three of the offenses and identified as “WORKSHEET # 1 OF CRIMINAL EVENT # 1” and the second containing the other two offenses and identified as “WORKSHEET # 2 OF CRIMINAL EVENT # 1.”

When a sentencing event consists of more than one criminal event, the individual completing the worksheets should maintain a separate count of worksheets for *each criminal event even if there is one offense per event*. If this is the case, the individual completing the worksheets shall number “Criminal Event #” space chronologically by date of offense.

Example: An offender is being sentenced for five offenses, two from one criminal event and three from another event that occurred a month later. Again, two worksheets should be prepared, however the numbering will be different. The first worksheet, containing the two offenses from the first criminal event, should be identified as “WORKSHEET # 1 OF CRIMINAL EVENT # 1” and the second worksheet, containing the three offenses from the second criminal event, should be identified as “WORKSHEET # 1 OF CRIMINAL EVENT # 2.”

4.7 Disposition Type

The disposition type refers to the nature and circumstances of the conviction and sentencing. Since the probation agent frequently lacks this information, **the sentencing judge should make sure it is included.** The “Disposition” box on the guidelines worksheet should be marked according to the conditions described in Table 4-2.

Table 4-2. Disposition Types

ABA Plea Agreement	The disposition resulted from a plea agreement that a court has approved relating to a particular sentence, disposition, or other judicial action and the agreement is binding on the court under Maryland Rule 4-243 (c).
Non-ABA Plea Agreement	The disposition resulted from a plea agreement reached by the parties but that was not approved by, and thus not binding on, the court.
Plea, No Agreement	The defendant pled guilty without any agreement from the prosecutor or judge to perform in a particular way.
Court Trial	The disposition ultimately resulted from a bench or court trial.
Jury Trial	The disposition ultimately resulted from a jury trial.
Reconsideration	The current sentencing event is a reconsideration of a previously imposed sentence.
Review	Pursuant to Criminal Procedure Article, §8-105, the current sentencing event is a panel review of a previously imposed sentence.
Probation Revocation	Pursuant to Maryland Rule 4-347, a hearing to determine whether a violation has occurred, and if so, whether the probation should be revoked.

4.8 Representation

In the box labeled “Representation,” the person completing the worksheet should indicate whether the defendant’s representation was private, public defender, court appointed or self represented.

4.9 Race and Ethnicity

The “Race” box at the top of the guidelines worksheet requests information about the defendant’s racial makeup. The racial categories provided are those required by State Government Article, §10-606 (C).

Additionally, the information in the “Ethnicity” box is requested pursuant to State Government Article, §10-606 (C)(4) which states:

A form that requires identification of individuals by race shall include a separate question about whether a respondent is of Hispanic or Latino origin, with the question preceding the racial category question.

When possible, defendants must select their own answers to the race and ethnicity questions. A separate field is provided for “unidentifiable race.”

4.10 Indigence Established

Pursuant to Courts Article, §11-917 and Maryland Rules 1-325, did the defendant establish indigence to waive court costs (yes/no)?

Convicted Offense Information

5.1 Convicted Offense Title

Spaces are provided on each worksheet for listing up to three convicted offense titles for a single criminal event (whether the same or different docket numbers). Convicted offense titles may be abbreviated but should be as specific as possible.

Example: The offense title for a **drug** violation (even if it is a conspiracy or attempt) should include the **name of the drug** and whether possession, distribution, etc. was involved. Property offenses should include any relevant dollar amount distinctions, such as “Misdemeanor Theft” (theft under \$500) or “Felony Extortion” (\$500 or more).

5.2 Seriousness Category (I–VII)

The person completing the worksheet should record in the designated space the seriousness category assigned to the respective offense. See Appendix A – Sentencing Guidelines Offense Table (located at the end of this manual) for a list of offenses and their respective seriousness categories.

5.3 CJIS Code

The CJIS code that corresponds to the convicted offense should be recorded in the designated space on the worksheet. This information can be found in Appendix A (Sentencing Guidelines Offense Table). If there are multiple CJIS codes for a listed offense and it is not known which code corresponds to the specific offense conduct, the space can be left blank.

5.4 Maryland Code, Article & Section

The person completing the worksheet shall identify the Maryland Code reference for each convicted offense. The reference should include the name or number of the article, the section number **and** any subsection letters or numbers. If the substantive offense and the penalty for the offense are in separate sections or subsections, both should be referenced.

“Common Law” should be written in this space if the source of the offense is the common law. Some common law offenses have penalty provisions in the Maryland Code. In such cases, the Code reference should also be included.

5.5 Statutory Maximum & Mandatory Minimum Penalties

The maximum penalty prescribed for each convicted offense should be recorded in the designated space on the worksheet.

If the offense carries a mandatory minimum penalty, the penalty amount should be recorded in the designated space on the worksheet.

5.6 Case Number/Docket Number

The person completing the worksheet shall record in the designated space the case or docket number for each convicted offense.

Offense Score(s)

For offenses against persons, an offense score must be computed for each offense to be sentenced. Since there are no special offense characteristics to be used in determining the guidelines sentence for drug and property offenses, an offense score should not be calculated for those offense types.

6.1 Computation of the Offense Score (*Offenses Against a Person Only*)

The offense score for each convicted offense is derived by totaling the points given for certain factors of that offense. Items factually established may be included even if not within the scope of the convicted offense, e.g., weapon usage in a robbery conviction or victim injury in a handgun violation conviction.

Any firearm or weapon offense is considered a person offense under guidelines.

The four elements of the offense score include seriousness category, victim injury, weapon usage and special victim vulnerability. Table 6-1 displays the numerical values for each element and these should be used to calculate an offense score for each person offense. A column of offense scores is provided on the worksheet for up to three offenses within a single criminal event.

Table 6-1. Offense Score (Offenses Against a Person Only)

1 st Off.	2 nd Off.	3 rd Off.	A. Seriousness Category

_____	_____	_____	OFFENSE SCORE (S)

Elements of the Offense Score:

A. Seriousness Category of the Convicted Offense

The individual completing the worksheet shall assign points based on the seriousness category of the convicted offense. Appendix A contains a list of Maryland criminal offenses and their assigned seriousness categories.

If an offense has not been assigned a seriousness category, the individual completing the worksheet should use the closest analogous offense. The sentencing judge and the parties involved should be notified if a seriousness category for an analogous offense is utilized.

Conspiracy, attempt, solicitation, or accessoryship. Unless placed in a different category or specifically addressed by separate statute, the individual completing the worksheet shall consider a conspiracy, attempt, or solicitation in the same seriousness category as the substantive offense. The individual completing the worksheet shall consider accessory after the fact to be a Seriousness Category V offense if the offense has a maximum penalty of 5 years under CR, §1-301 with the following exceptions:

a) If the accessory after the fact has a penalty of greater than 5 years under a statute other than CR, §1-301, the serious category shall be one seriousness category below the serious category of the substantive offense (e.g. a category V offense becomes a category VI offense).

b) If the accessory after the fact has a penalty of less than 5 years, the serious category shall be the same category of the substantive offense. An accessory before the fact offense shall be one seriousness category below the substantive offense *if there was a specific verdict as to accessoryship*.

B. Victim Injury

Victim injury means physical or psychological injury to the crime victim, the cause of which is directly linked to the conduct of the defendant in the commission of the convicted offense.

Victim injury, whether physical or psychological, shall be based on reasonable proof. Psychological injury shall be based on confirmed medical diagnosis or psychological treatment. Psychological injury is presumed not permanent unless otherwise demonstrated. Physical injury shall be more than minimal. Physical injuries such as lasting muscle damage or amputation are permanent.

The individual completing the worksheet shall assign a score of 0 if there was no victim injury. The individual completing the worksheet shall assign a score of 1 if victim injury occurred and the injury was not permanent.

The individual completing the worksheet shall assign a score of 2 if victim injury occurred and the injury was permanent or resulted in the death of the victim.

C. Weapon Usage

Weapon usage means the use of any article or device that reasonably appears capable of causing injury or the use of an article that could result in conviction under CR, §4-101, Annotated Code of Maryland.

The individual completing the worksheet shall assign a score of 0 if no weapon was used. The individual completing the worksheet shall assign a score of 1 if a weapon other than a firearm was used. The individual completing the worksheet shall assign a score of 2 if a firearm or explosive was used.

The individual completing the worksheet shall apply the following rules regarding weapons.

- a. Explosives are considered the same as firearms;
- b. Weapons other than firearms include incendiaries, knives, tire irons and clubs;
- c. Carbon dioxide (CO₂) guns (including pellet guns) and starter pistols are also scored as weapons other than firearms and receive one point;
- d. Except if used as a bludgeon, a toy gun is not a weapon and shall be scored as zero;
- e. Except if deliberately used as a weapon, automobiles are not included as weapons;
- f. Unless the offender is a professional in some form of self-defense, parts of the body, such as hands or feet, are not included as weapons;
- g. If a weapon was feigned but no weapon was actually present, the score shall be 0 (no weapon used); and
- h. Any applicable guidelines points for weapon usage shall be given to an accessory before the fact, but not to an accessory after the fact.

D. Special Vulnerability of Victim

Special vulnerability of victim refers to the relative status of the victim tends to render the actions of the perpetrator all the more serious. A vulnerable victim is anyone:

- a. younger than 11 years old;
- b. 65 years old or older; or
- c. having a temporary or permanent physical or mental handicap, including an individual who is physically or mentally limited in a material way.

The individual completing the worksheet shall assign a score of 0 if the victim is not defined as a vulnerable victim. The individual completing the worksheet shall assign a score of 1 if the victim is defined as a vulnerable victim. The individual completing the worksheet shall complete the Special Vulnerability of Victim component of the offense score for each offense to be sentenced.

E. Total Offense Score

To obtain an offense score, the individual completing the worksheet shall add the points assigned to each element of the offense score for each person offense of which the defendant was convicted. The maximum score is 15 and the minimum score is 1.

Offender Score

7.1 Computation of the Offender Score

The offender score is derived by totaling the points represented by the offender's prior criminal history. The factors comprising this history are shown in Table 7-1 below. Any prior criminal activity that the defendant admits should be included. With the exception of the juvenile delinquency component of the offender score, the components of the offender score refer only to the defendant's adult involvement with the criminal justice system (CJS).

Table 7-1. Offender Score

A. Relationship to CJS When Instant Offense Occurred	
0	= None or Pending Cases
1	= Court or Other Criminal Justice Supervision
B. Juvenile Delinquency	
0	= 23 years or older OR crime-free for 5 years OR no more than 1 finding of a delinquent act
1	= Under 23 years old AND: Two or more findings of a delinquent act OR one commitment
2	= Under 23 years old AND committed two or more times
C. Prior Adult Criminal Record	
0 = None	3 = Moderate
1 = Minor	5 = Major
D. Prior Adult CJ Violation	
0 = No	1 = Yes
OFFENDER SCORE _____	

Elements of the Offender Score:

A. Relationship to the Criminal Justice System When Instant Offense Occurred

1. If the offender was in the criminal justice system as the result of an adjudication of guilt as an adult, the person completing the worksheet shall assign a score of 1.
2. The offender was in the criminal justice system if the offender was on parole, probation, incarcerated, on work release, mandatory supervision, escape, or comparable status at the time the offense was committed.
3. An offender is not considered to be in the criminal justice system if the offender was on unsupervised probation **and** the underlying offense was not punishable by imprisonment.

B. Juvenile Delinquency

Findings of delinquency are counted the same as convictions would be for an adult; that is, there may be more than one as part of a single event. **Commitments** refer to a court transferring legal custody to the Maryland Department of Juvenile Justice or comparable commitment to another federal or state authority. **Suspended juvenile commitments** should be counted as findings of a delinquent act.

An **incarcerable traffic offense** as a juvenile should be treated as part of the offender's juvenile record.

The individual completing the worksheet shall assign a score of **0** if:

1. an offender is 23 years or older by the date of the offense; or
2. an offender has been crime free for 5 years since the last finding of a delinquent act or last adjudication; or
3. an offender has no more than one finding of a delinquent act.

The individual completing the worksheet shall assign a score of **1** if :

1. an offender is younger than 23 years old; **and**
2. has two or more findings of a delinquent act *or* one commitment

The individual completing the worksheet shall assign a score of **2** if:

1. an offender is younger than 23 years old; **and**
2. has been committed two or more times

C. Prior Adult Criminal Record

The prior adult criminal record includes all adjudications of guilt preceding the current sentencing event, whether the offense was committed before or after the current sentencing event. Unless expunged from the record, the individual completing the worksheet shall include probations before judgment (PBJ) and convictions under the Federal Youth Corrections Act (FYCA). The individual completing the worksheet may not consider violations of public local laws, municipal infractions, contempt, criminal non-support, and non-incarcerable traffic offenses as part of a prior adult criminal record. If a Maryland offense has not been assigned a seriousness category, the individual completing the worksheet shall use the closest analogous offense and the sentencing judge and the parties shall be notified.

1. Criteria

The individual completing the worksheet shall use the instructions and Table 7.2 on the next page to determine whether a defendant's prior criminal adult record is minor, moderate, or major. If the defendant has no prior adult criminal record, the individual completing the worksheet shall assign a score of 0. If the defendant has a minor adult criminal record, the individual completing the worksheet shall assign a score of 1. If the defendant has a moderate criminal record, the individual completing the worksheet shall assign a score of 3. If the defendant has a major criminal record, the individual completing the worksheet shall assign a score of 5.

To determine whether a defendant's prior adjudications of guilt constitute a Minor, Moderate, or Major adult criminal record, the person completing the worksheet shall count the number of prior adjudications of guilt according to their seriousness categories. The Criteria for Prior Record form, found in Figure 7-1 on page 24, can be used to help with the tabulation.

Once the prior adjudications are categorized by their seriousness categories, the number of adjudications in the most serious category of offenses shall be identified. Locate that number and the seriousness category in Table 7-2 or Figure 7-1 and, applying the other less serious prior adjudications, determine whether the prior record is Minor, Moderate, or Major.

Table 7-2. Prior Adult Criminal Record Matrix

Figure 7-1. Criteria for Prior Adult Criminal Record

MAJOR RECORD

An offender who has been found guilty of one or more offenses in the past as an adult is considered to have a major adult criminal record if his or her record contains:

- One or more Seriousness Category I offenses.
- One Seriousness Category II offense, combined with:
- One or more offenses from Seriousness Category III – VI; **or**
- Any other five offenses
- Two or more Seriousness Category II offenses.
- One Seriousness Category III offense, combined with:
- Two or more offenses from Seriousness Category IV – VI; **or**
- Any other six offenses.
- Two or more Seriousness Category III offenses.
- One Seriousness Category IV offense, combined with:
- Three or more offenses from Seriousness Category V or VI, **or**
- Any other seven offenses.
- Two Seriousness Category IV offenses, combined with:
- One or more offenses from Seriousness Category V or VI; **or**
- Any other six offenses.
- Three or more Seriousness Category IV offenses.
- One Seriousness Category V offense, combined with any other eight offenses.
- Two Seriousness Category V offenses, combined with any other seven offenses.
- Three Seriousness Category V offenses, combined with any other six offenses.
- Four Seriousness Category V offenses, combined with any other five offenses.
- Five or more Seriousness Category V offenses.
- Ten or more adjudications of guilt from any combination of seriousness categories.

MODERATE RECORD

An offender who has been found guilty of one or more offenses in the past as an adult is considered to have a moderate record if he or she does not meet any of the criteria for a major record, but whose record contains:

- One Seriousness Category II offense.
- One Seriousness Category III offense.
- One or two Seriousness Category IV offenses.
- One Seriousness Category V offense, combined with not less than three and not more than seven other offenses.
- Two Seriousness Category V offenses, combined with not less than one and not more than six other offenses.
- Three or four Seriousness Category V offenses.
- One Seriousness Category VI offense, combined with not less than four and not more than eight other offenses.
- Two Seriousness Category VI offenses, combined with not less than three and not more than seven other offenses.
- Three Seriousness Category VI offenses, combined with not less than two and not more than six other offenses.
- Not less than four and not more than nine Seriousness Category VI offenses.
- Not less than five and not more than nine Seriousness Category VII offenses.

MINOR RECORD

An offender who has been found guilty as an adult of one or more offenses in the past, but does not meet the criteria for either a major or a moderate record is considered to have a minor record.

2. Additional Instructions

If prior multiple convictions relate to a single criminal event, the worksheet should be scored using only the offense with the highest seriousness category.

Different Criminal Events Sentenced Together. If multiple offenses from different criminal events are being sentenced together at this sentencing event, the offender's criminal record includes any adjudication of guilt prior to the current sentencing and is the same for each offense being sentenced at this time.

Convictions Out of Jurisdiction. If an offender has been convicted in another jurisdiction, the convicted offense should be matched as closely as possible to the closest analogous Maryland offense. If no Maryland analogous offense exists, the offense should be placed in the lowest seriousness category (VII), and the judge and parties shall be notified.

Theft-Type Offenses. A theft conviction that occurred before the enactment of the comprehensive theft statute in 1978 such as Larceny, Larceny by Trick or Larceny after Trust should be considered Misdemeanor Theft if it was a misdemeanor and Felony Theft if it was a felony.

Criminal Record Decay Factor. If an offender has lived in the community for at least ten years prior to the instant offense without criminal justice system involvement resulting from an adjudication of guilt or a plea of nolo contendere, the criminal record should be reduced by one level: from Major to Moderate, from Moderate to Minor, or from Minor to None. An offender was in the criminal justice system if the offender was on parole, probation, incarcerated, on work release, mandatory supervision, escape, or comparable status.

Conspiracies, Attempts, Solicitations, and Accessoryships

- a. The individual completing the worksheet shall place conspiracies, attempts, and solicitations in the same seriousness category as the substantive offense unless placed in a different category or specifically addressed by separate statute.
- b. Accessory before the fact is considered to be one seriousness category below the substantive offense where there was a specific verdict as to accessoryship.
- c. Accessory after the fact is considered to be one seriousness category below the substantive offense.

D. Prior Adult Parole/Probation Violations.

Score 0 if offender has never before been on adult parole, probation or equivalent supervisory status, or has successfully completed previous periods of supervision as an adult. Score 1 if offender was ever adjudicated in violation of parole or probation or was convicted of an offense while on parole or probation, unless the adjudication or conviction arose from the offense or offenses of this sentencing event. **Do not give a point simply because offender was on parole or probation at the time of the instant offense;** the offender will already have been penalized for having a relationship to the criminal justice system when the instant offense occurred.

The Total Offender Score is obtained by adding the points assigned to each element of the offender score. The maximum offender score is nine; the minimum is zero.

Determining the Guidelines Sentence Range

8.1 Guidelines Range

After the offense and offender scores have been calculated for each offense for which there is a conviction or other adjudication of guilt, use the appropriate matrix – person, drug, or property – to determine the guidelines range. In multiple offense cases, the overall guidelines range is determined after calculating guidelines for the individual offenses.

8.2 Person Offenses

To find the guidelines sentence for an offense against a person, refer to Table 8-1, the sentencing matrix for offenses against persons. The guidelines ranges are in a grid format with the offense score on the vertical axis and the offender score on the horizontal axis. The guidelines range for any given convicted offense is in the block where the two scores intersect.

For a **First Degree Murder** conviction, the person completing the worksheet should compute an offense and offender score even though the guidelines sentence for First Degree Murder is always imprisonment for life (unless the death penalty being sought under CR, §2-303). First Degree Murder is a Seriousness Category I offense.

8.3 Drug Offenses

To find the recommended guidelines sentence for a drug offense use Table 8-2, the sentencing matrix for drug offenses. The guidelines range for a particular offense is in the cell opposite the seriousness category for that offense and under the applicable offender score.

8.4 Property Offenses

To find the recommended guidelines sentence for a property offense use Table 8-3, the sentencing matrix for property offenses. The guidelines range for a particular offense is in the cell opposite the seriousness category for that offense and under the applicable offender score.

Table 8-3. Sentencing Matrix for Property Offenses

8.5 Effect of Mandatory Sentences on Guidelines Range

If the guidelines sentence range exceeds the statutory maximum for a given offense, the statutory maximum is the upper limit of the guidelines range. If the guidelines sentence range is below the mandatory statutory minimum, that minimum is the lower limit of the guidelines range.

8.6 Subsequent Offenses

Enhanced punishment legislation for subsequent offenders takes precedence over guidelines ranges if not otherwise provided for in this manual. When the statutory penalty for a drug offense is doubled under CR, §5-905 of the Annotated Code of Maryland, the guidelines range for that offense is also doubled. The guidelines sentence is determined by doubling the appropriate sentence from the drug offense sentencing matrix (Table 8-2), except when the mandatory minimum sentence under CR, §5-602 of the Annotated Code of Maryland is invoked and takes precedence. If the offender is being sentenced pursuant to CR, §5-905 and the guidelines range is doubled, the person preparing the worksheet shall mark “Yes” in the subsequent offender box.

Overall Guidelines Range for Multiple Counts Only

9.1 Single Criminal Event, *Not More Than One Seriousness Category I or II Offense*

1. Calculate the guidelines range for each offense.
2. Determine the overall guidelines range by identifying the highest of the lower guidelines limits and the highest of the upper guidelines limits. Usually these will be the lower and upper limits of the guidelines range for one of the offenses, but there are infrequent exceptions. (See Example 3 in Table 9-1.)

Table 9-1. Examples of Scoring Single Criminal Events with Not More Than One Offense from Seriousness Category I or II

Example 1			
<u>Criminal Event</u>	<u>Offense</u>	<u>Seriousness Category</u>	<u>Guidelines Range</u>
1	Second Degree Rape	II	12-25 Yrs.
1	Use of Handgun in a Felony	III	5*-8 Yrs.
<i>Overall Guidelines Range:</i>			12-25 Yrs.
<i>*Guidelines range was 3-8 years but statutory minimum is 5 years.</i>			
Example 2			
<u>Criminal Event</u>	<u>Offense</u>	<u>Seriousness Category</u>	<u>Guidelines Range</u>

3. Any combinations of sentences imposed, concurrent or consecutive, are within the guidelines when the net time to be served (i.e., the initial sentence minus suspended sentence) falls within the overall guidelines range.
4. If there are separate offenses for different victims, add together the upper range of the highest of the upper guidelines range for each victim.

9.2 Single Criminal Event, Two or More Seriousness Category I or II Offenses

1. Calculate the guidelines range for each offense.
2. Determine the overall guidelines range by adding the guidelines ranges for each offense in Seriousness Category I or II.

Table 9-2. Examples of Scoring Single Criminal Events with Two or More Seriousness Category I or II Offenses

Example 1

1	1 st Degree Sex Offense	I	30Y-Life
1	1 st Degree Rape	I	30Y-Life
<i>Overall Guidelines Range:</i>			90Y (Life* + 30Y) to 3 consecutive Life terms

**60 years is considered equivalent to one sentence of life imprisonment.*

- Any combinations of sentences imposed, concurrent or consecutive, are within the guidelines when the net time to be served (i.e., the initial sentence minus suspended sentence) falls within the overall guidelines range.

9.3 Multiple Criminal Events, One Offense in Each Event

- Arrange the offenses in chronological order beginning with the one committed first.
- Calculate the guidelines range for each event's convicted counts. The prior criminal adult record is constant throughout each event. A prior adult criminal record score reflects the defendant's criminal history on the date of sentencing. The prior adult criminal record calculated for the first event is the same for all succeeding events, as long as they are being sentenced at the same time.
- Determine the overall guidelines range by adding the ranges for each event.

**Statutory Maximum is 10 years.*

- Any combinations of sentences imposed, concurrent or consecutive, are within the guidelines when the net time to be served (i.e., the initial sentence minus suspended sentence) falls within the overall guidelines range.

9.4 Multiple Criminal Events, Multiple Offenses Within One or More of the Events

- Arrange the events in chronological order, beginning with the offense or offenses committed in the first event.
- Calculate the guidelines range for each offense in the first event.
- Determine the overall guidelines range for the first criminal event as in section 7.1 or 7.2, but do not enter it on a worksheet.
- Follow steps two and three for each succeeding criminal event. The prior criminal adult record is constant throughout each event. A prior adult criminal record score reflects the defendant's criminal history on the date of sentencing. *The prior adult criminal record calculated for the first event is the same for all succeeding events, as long as they are being sentenced at the same time.*
- After determining the overall guidelines range for each criminal event, the ranges are added to determine the overall guidelines range for the entire case.

2	3 rd Degree Burglary	IV	P-1 Yr.
			<i>Range for 2:</i> P-1 Yr.
			<i>Overall guidelines range:</i> 14-28 Yrs.

- Any combinations of sentences imposed, concurrent or consecutive, are within the guidelines when the net time to be served (that is, the initial sentence minus suspended sentence) falls within the overall guidelines range.

Victim Information

The person completing the worksheet shall provide the victim information requested in the designated space on the worksheet. As outlined in Table 10-1, the information requested includes whether there was a victim and if they were available, whether the victim filed a notification request form (NRF), and whether there was a written or an oral Victim Impact Statement (VIS), among other information.

Table 10-1. Victims' Rights Information

Victim	Was there a victim in this offense? Examples of offenses that do not include a victim include most drug offenses and escape.
Victim Unavailable	Was the victim unavailable to participate in the sentencing process? Check yes if the victim did not participate, was not located, or did not maintain contact with involved parties.
NRF	Was a notification request form (NRF) filed by a victim? Criminal Procedure Article, §11-104
Victim Notified Plea	Was victim notified of the terms and conditions of a plea agreement prior to entry of a plea? Criminal Procedure Article, §11-104
Victim Notified Date	Was victim notified of the court date for sentencing? Criminal Procedure Article, §11-104
Victim Present	Was the victim present at sentencing? Criminal Procedure Article, §11-102(a); Article 47, Maryland Declaration of Rights
Written VIS	Was a written victim impact statement prepared? Criminal Procedure Article, §11-402; Article 47, Maryland Declaration of Rights
Oral VIS	Did victim or State make a request for an oral VIS by victim? Criminal Procedure Article, §11-401; Article 47, Maryland Declaration of Rights
No Contact with Victim	Did victim or State make a request that Defendant have no contact with victim? Criminal Procedure Article, §11-402
CICB Costs Imposed	Were Criminal Injury Compensation Board (CICB) costs imposed? Criminal Procedure Article, §11-819

Note

Each of these notices must be provided by the appropriate parties: the Guidelines worksheet information is for statistical purposes only and will not substitute for actual notice. For example, on the worksheet, “No Contact with Victim,” refers to the fact that the victim has made that request in accordance with the proper procedures. Simply checking this box on the worksheet will not substitute for the victim’s actually filling out the necessary paperwork.

Actual Sentence Completed By Judge

At sentencing, the actual sentence and any changes on the worksheet should be entered by the judge and recorded by the two attorneys on their copies.

11.1 Convicted Offense Sentence

Complete sentencing information for each convicted offense must be provided in the corresponding “Actual Sentence” box on the worksheet and should include information for the following:

- Incarceration time imposed;
- Amount of time suspended;
- Specific amount of credit for time served;
- Length of probation;
- Amount of home detention;
- Whether the sentence is concurrent or consecutive;
- Amount of fine and/or restitution and;
- Community service imposed.
-

Note: For reconsiderations, reviews, and probation revocations, the worksheet should indicate how the original sentence was adjusted.

11.2 Subsequent Offender Filed/Proven and Restitution Requested/Proven

The person completing the worksheet shall mark whether the offender was filed as a subsequent offender and whether anyone is requesting restitution from the offender. The judge shall indicate if subsequent offender was proven and the amount of restitution ordered, if any.

11.3 Amount of Economic Loss

The individual completing the worksheet shall record in the designated space the dollar amount of the economic loss or mark “unknown amount” for all offenses involving **theft** and related crimes under Criminal Law Article, Title 7, or **fraud** and related crimes under Criminal Law Article, Title 8, Annotated Code of Maryland. The amount of economic loss equals the amount of restitution ordered by a circuit court judge or, if not ordered, the full amount of restitution that could have been ordered.

11.4 Corrections Options Program

Based on the definition provided in chapter 2, the person completing the worksheet shall record if the offender was sentenced to a Corrections Options program. Please specify whether the offender participated in drug court treatment (yes/no) or any other correctional options program (yes/no).

11.5 Institutional/Parole Recommendation or Additional Information

The sentencing judge shall record any recommendations or additional information in this designated area on the worksheet.

11.6 Announcement of 50% of Sentence

The individual completing the worksheet shall indicate whether or not there was an announcement regarding the mandatory serving of 50% of a sentence for violent offenses. Criminal Procedure Article, §6-217 states that at the time of imposition of a sentence of incarceration for a violent crime, as defined in §7-101 of the Correctional Services Article, that is to be executed and for which a defendant will be eligible for parole as provided in §7-301(C) or (d) of the Correctional Services Article, the Court shall state in open court that the defendant must serve at least 50% of the sentence.

11.7 Parole Notification

According to Correctional Services Article, §7-802, did the judge request notification of a parole release hearing.

11.8 Signatures

Spaces are provided at the bottom of the worksheet for the name and signature of the sentencing judge and the name of the person or persons completing the worksheet. *Both names should be legible.* The judge’s signature indicates that the guidelines worksheet has been reviewed by the judge for accuracy and completeness (COMAR 14.22.01.03.D(4); 14.22.01.07.G).

Determining Whether a Sentence is Within the Guidelines Range

The recommended guidelines sentence is provided as a range. This range is determined by the seriousness of the offense and the criminal history of the offender. This chapter discusses how to determine if a sentence is within the guidelines range.

12.1 Suspended Time

Suspended time *is not* considered in determining whether the sentence falls within the recommended guidelines range. The guidelines range represents only non-suspended time.

Example: If the guidelines range for a particular case is 6 to 12 years, a few examples of sentences within the guidelines are 10 years with 4 years suspended or 15 years with 5 years suspended. If, however, a judge gives 6 years, all suspended, the sentence will be outside the guidelines.

12.2 Credit for Time Served

Time served *is* considered in determining whether the sentence falls within the recommended guidelines range.

Example 1: If the guidelines range for an event is 3 months to 9 months, and an offender is sentenced to 6 months with credit for 6 months already served, the sentence is within the guidelines range.

Example 2: If the guidelines range for an event is Probation to 3 months, and an offender is sentenced to 6 months with credit for 6 months already served, the sentence is above the guidelines range.

12.3 Offender Already Under Sentence

If an offender is already serving one or more sentences, the time remaining to be served may be considered in determining whether the sentence or sentences are within the recommended guidelines range. The judge shall indicate whether the new sentence is consecutive to or concurrent with the existing sentence.

12.4 Consecutive Versus Concurrent Sentences

If an offender is sentenced for more than one offense, the worksheet **must indicate** which sentences are **concurrent** and which are **consecutive**. To fall within the guidelines, the total amount of time to be served must fall within the guidelines.

Example: If the overall guidelines range is 3 to 6 years and the offender is sentenced to two concurrent unsuspended terms of 4 years, the sentence is within the guidelines. However, if the offender is sentenced to two consecutive terms of 4 years, the sentence exceeds the guidelines range.

12.5 Length of Probation

Subject to the statutory limit of five years, the length of any probation imposed is within the judge's discretion and is not limited by the sentencing guidelines.

12.6 Sentences Deemed to Be Within Guidelines

Notwithstanding the actual guidelines range, the Commission on Criminal Sentencing Policy shall deem a sentence within the guidelines range if a judge:

- Approved an ABA plea agreement and sentence agreed to by both the defendant and by the State; or
- Imposed a sentence of correctional options if the defendant's:
 - (1) Initial sentence plus any suspended sentence falls within or above the overall guidelines range; and
 - (2) Current sentence or sentences and any pending charges do not include a violation of:
 - (a) A crime of violence under CR, §14-101;
 - (b) Sexual child abuse or child abuse with death under CR, §3-601;
 - (c) Escape;
 - (d) A law of the United States or of any other state or the District of Columbia similar to §B(2)(a)—(c) of this regulation.

If the conditions of (1) and (2) are established, then mark “Yes” on the Sentencing Guidelines Worksheet in the Corrections Options box to show that the program is consistent with Commission criteria.

Sentences Outside the Guidelines Range

There are times when a judge may choose to impose a sentence that is outside the guidelines range. This chapter provides a list of common reasons for departure and their corresponding codes. While it is not intended to be a complete list, it does provide commonly used departure reasons and gives the sentencing judge the option of identifying other circumstances that warrant a departure.

13.1 Using the Departure Codes

The judge shall document on the guidelines worksheet the reason or reasons for imposing a sentence outside of the recommended guidelines range. The following list is a sample of some of the more common reasons for sentencing outside the range. The judge should write in the designated space on the guidelines worksheet the number(s) that corresponds to the reason(s) for departure. Where the judge's reason for sentencing outside the guidelines range is not among the sample reasons listed, the judge should write down reason number (9) or (18), depending on whether it is an upward or downward departure, and explain the "other circumstances" on which the judge has based the decision to depart from the guidelines.

13.2 Departure Below the Guidelines Range

Common reasons for departure below the guidelines range include but are not limited to:

- The parties reached a plea agreement that called for a reduced sentence. (1)
- Offender's minor role in the offense. (2)
- Offender was influenced by coercion or duress. (3)
- Offender had diminished capability for judgment. (4)
- Offender made restorative efforts after the offense. (5)
- Victim's participation in the offense lessens the offender's culpability. (6)
- Offender's commitment to substance abuse treatment or other therapeutic program. (7)
- Recommendation of State's Attorney or Division of Parole and Probation. (8)
- Other circumstances of the crime and/or the offender do not warrant a sentence within the guidelines (Explain). (9)

Please use the numerical codes in parentheses when filling out the guidelines worksheets.

13.3 Departure Above the Guidelines Range

Common reasons for departure above the guidelines range include but are not limited to:

- Offender's major role in the offense. (10)
- The level of harm was excessive. (11)
- Special circumstances of the victim. (12)
- Offender exploited a position of trust. (13)
- Offender committed a "white collar" offense. (14)
- Offender's significant participation in major controlled substance offense. (15)
- The vicious or heinous nature of the conduct. (16)
- Recommendation of State's Attorney or Division of Parole and Probation. (17)
- Other circumstances of the crime and/or the offender do not warrant a sentence within the guidelines (Explain). (18)

Please use the numerical codes in parentheses when filling out the guidelines worksheets.

Note: Judges, please contact the Commission staff if you would like a laminated card with these common departure reasons and their respective numerical codes to keep at your bench.

13.4 Interpreting the Common Reasons for Departure

The common reasons for departure should be read broadly so that they might encompass other, more specific reasons. For example, reason (1) regarding a plea agreement could include reasons why the agreement was reached, such as weak evidence, minimal harm or a victim who did not want to prosecute. Reason (4), which addresses an offender's diminished capacity for judgment, could apply if the offender's age (young or old), intelligence, or drug/alcohol use limited the offender's capacity for judgment. An offender's restorative efforts under reason (5) could include paying restitution, cooperation with police or the State's Attorney, or performing community service or some other benefit to the community on his own accord. An application of reason (16), the vicious or heinous nature of the conduct, could include offenses motivated by race, gender or sexual orientation, among other reasons. These examples are just some of the ways in which the departure reasons can be read broadly to encompass more specific reasons.

Sample Cases

This chapter applies the procedures that have been described in this manual. There are discussions of eight sample cases dealing with different types of sentencing events that might occur. Each sample case provides the step-by-step procedures for calculating the guidelines ranges.

Because two of the offenses in this criminal event were in either Seriousness Category I (*First Degree Rape*) or Seriousness Category II (*Kidnapping*), the overall recommended guidelines range is determined by adding together the respective lower and upper limits of the ranges of each Category I or II conviction. Following this procedure, the overall recommended sentencing range would be Life plus 20 years to Life plus 35 years.

Offense Description

On September 10, 2001, a 32-year old male, answering the door in his apartment, was confronted by a man wielding a revolver and demanding money. The victim

relinquished his wallet, but the assailant forced the victim into the bedroom and tied his hands and feet with his own neckties. After ransacking the bedroom, the gunman left. As soon as he could free himself, the victim called police and reported the incident.

On December 9, 2002, police responded to a call at an apartment house. Upon arriving, they were given custody of a man who, according to a security guard, had forced his way into a woman's apartment and tried to attack her. In questioning the victim, police learned that she had opened the door thinking her boyfriend had arrived, but a strange man had burst in. The victim stated that she was instructed to give him her money because he had a gun in his pocket and would use it. After handing over her purse, she was pushed into the bedroom and told to get undressed. She was resisting when her boyfriend appeared. As the boyfriend and the assailant struggled, she went to the phone and summoned security who helped to hold the defendant. A pistol was found in his pocket.

On January 30, 2003 the defendant pled guilty to *Robbery with a Deadly Weapon* from the first event and *Robbery* and *Second Degree Assault* from the second event.

The sentence for this offense may not be enhanced pursuant to both CR, §5-609(b) and CR, §5-905.

Sentencing Guidelines Offense Table

Appendix A contains a table of guidelines offenses including their CJIS code, source code, seriousness category, and penalties. If an offense has not been assigned a seriousness category, the individual completing the worksheet should use the closest analogous offense and the sentencing judge and the parties should be notified. If there are any questions about how to categorize or score an offense, please call the Maryland State Commission on Criminal Sentencing Policy staff at (301) 403-4165.

★ Defined as a violent crime in Correctional Services Article, §7-101. General Rules:

If a Maryland offense has not been assigned a seriousness category, the individual completing the worksheet shall use the closest analogous offense and the sentencing judge and the parties shall be notified. Repealed offenses and federal offenses have been deleted. For Prior Record calculations involving such offenses, please follow the rules set forth below:

- (a) If a Maryland offense has not been assigned a seriousness category, the individual completing the worksheet shall use the closest analogous offense and the sentencing judge and the parties shall be notified; and
- (b) If an offender has been convicted in another jurisdiction, the individual completing the worksheet shall match the offense as closely as possible to the closest analogous Maryland offense. If no Maryland analogous offense exists, the individual completing the worksheet shall count the offense in the lowest seriousness category (VII), and shall inform the judge and parties.

Incidents in which the State is seeking the death penalty (i.e., CR, §2-303) are exclusions under the Maryland Sentencing Guidelines. There is no need to prepare a Guidelines Worksheet for these offenses.
