

Sentencing Guidelines Offense Table (Updated 11/13/23)

Appendix A contains a table of guidelines offenses including their CJIS code, statutory source, seriousness category, and penalties. If an offense is not listed in Appendix A and the offense has a maximum penalty of one year or less, the offense should be identified as a category VII offense. If an offense is not listed in Appendix A and the maximum penalty is greater than one year, the individual completing the worksheet should use the seriousness category for the closest analogous offense and the sentencing judge and the parties should be notified. If there are any questions about how to categorize or score an offense, please call the Maryland State Commission on Criminal Sentencing Policy staff at (301) 403-4165.

(b) If a Maryland offense has not been assigned a seriousness category and the offense has a maximum penalty greater than 1 year, the individual completing the worksheet shall use the closest analogous offense and the sentencing judge and parties shall be notified.

(c) For Prior Record calculations involving an out of jurisdiction adjudication, the individual completing the worksheet shall match the offense as closely as possible to the closest analogous Maryland offense. If no Maryland analogous offense exists, the individual completing the worksheet shall count the offense in the lowest seriousness category (VII), and shall inform the judge and parties.
